

CypressRidge

Congratulations on your decision to build/buy your new home in Cypress Ridge! To promote the aesthetic and monetary value of the properties within the Cypress Ridge subdivision, the Cypress Ridge Garden Club (“CRGC”) has been formed to oversee and maintain the entrance to the subdivision. CRGC is an Ohio Unincorporated Nonprofit Association, and each and every homeowner in the Cypress Ridge subdivision is encouraged to become a member of CRGC. Presently, Design Homes supports the CRGC by maintaining a membership for each yet-to-be-sold property in the subdivision, and we hope that you will continue to support the CRGC as well.

Membership in the CRGC is on a year-to-year basis to those individuals or entities who own one or more parcels within the Cypress Ridge subdivision, and annual membership dues are currently only \$125.00 per parcel, per year. Your participation benefits everyone in the neighborhood and helps to ensure that it remains a beautiful and welcoming place. If you have any questions, would like additional information, or are interested in volunteering with the CRGC, please contact TJ Poelking at 937 371-4096 or Billie Duncan-Hart at 937 623-7814.
